Enriched with Deep Regeneration Therapy formula, **TOUCH nail & cuticle conditioner** offers intensive care to dry, fragile nails. It repairs damage caused by chemicals and styling, revitalizes and fortifies even dry and brittle nails leaving them properly hydrated. Natural ingredients condition and soften cuticles, give nails a healthy glow and prevent them from splitting, which results in better resistance to external factors.

The product has been dermatologically tested.

How to use nail & cuticle conditioner TOUCH

1. Before you use TOUCH nail & cuticle conditioner, make sure your hands and nails are dry and clean.
2. Apply the conditioner over clean nail plates and cuticles, allowing the active ingredients to penetrate the surface and soak in completely.
