The original beautyblender® - this cult makeup sponge is the must-have all over the world. Try it once and you'll love it forever.

The unique edgeless shape and exclusive material available only with beautyblender® ensures impeccable, streak-free application of any complexion product and natural, satin finish. Modernize your makeup routine with 3 simple steps: WET.SQUEEZE.BOUNCE. Using your beautyblender® wet in a stippling motion is the secret of flawless application, with minimum product waste. The original beautyblender® is handcrafted in the USA.
